

# COVID-19 REOPENING PROCEDURES

As always, the safety of our students is top priority.

(Revised 8/17/2020)

**PLEASE NOTE: All fall session classes will be offered both in person and online.**

**A COVID-19 waiver must be signed by a parent or guardian prior to a student participating in an in-studio class.**

- There will be a maximum of two classes running at the same time. Each class will have a maximum number of students and staff allowed in each studio.
- Prior to entering the building, each student's temperature will be taken with a contactless thermometer and recorded. Students with a temperature of 100.4 or above will be immediately isolated and sent home.
- Hands will be sprayed with hand sanitizer.
- Dressing rooms will be closed, so students should wear their IDC class leotard and tights under street clothes.
- Each student will be assigned an area where their street shoes and clothes will remain during the class.
- Please be sure to have your dancer bring their own water bottle from home.
- Masks will be required when entering or moving around the building and any time student is not in class or unable to practice physical distancing of at least 6-feet. Use of a mask during class will be at the discretion of each dancer and their family.
- Staff will regularly clean high-touch areas.
- Ballet barres will be cleaned between each class.

**Until further notice, only instructors and staff, as needed, will be permitted in the building while students are present. Additional entry and exit instructions will be emailed to each enrolled family prior to the start of the session.**

Please keep your child home if they are experiencing any symptoms of illness, such as cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, headache, sore throat, or new loss of taste or smell, or if your child has had close contact with any person diagnosed with COVID-19.

Thank you for your cooperation and support!
